CITY AND COUNTY NEWS

E. E. Brownfield, of Hershey, was visiting in the city yesterday with friends and transacting business.

Miss Marie LeDoyt, who has been quite ill for some time, is reported convalescing and she expects to be able to be out again in a short time.

H. E. Dress, an attorney of Stapleton, has been town for a couple of days conducting a contest at the U. S. land office.

Manager Bruce Brown left yesterday morning for Ogalala to spend the day on business for the Nebraska telephone company.

P. A. Norton left yesterday morning for Omaha to consult a architect relative to building an apartment house on Second street.

William Wilkins, of Gothenburg, arrived in the city last week and is looking for a location here. He formerly ran a pool and billiard hall at that place and will now seek to get into some business here.

The Presbyterian ladies announce that they will hold their annual sale and supper on the afternoon and evening of December 3. This announcement is made so that other events may not conflict.

Arthur Tramp writes that he and Charley Hupfer are members of the football team of the school they are attending at Atchison, Kan., and their team won a tight game Saturday. The boys like their school very much.

Mrs. F. W. Herminghausen, who was operated upon some time ago at a local hospital, is reported convalescing nicely. Her condition still remains serious, but she is getting along very nicely.

The local lodge of the Knights of Columbus will celebrate Columbus Day Monday evening in the Masonic hall with a fine festival. An extensive program is being arranged and will be given out later.

C. D. Blandvelt, Dr. E. A. Hudson and A. W. Mitchell, of Arapahoe, returned home Sunday after spending several days here as the guests of John C. Den, who piloted them on hunting trips. The party was successful in killing a nice lot of chickens.

Suffrage Teas.
 Seventeen suffrage teas were held Oct. 3rd at the various homes. At the Paulson home Mrs. Minnie Perkins talked on the reason why women wanted to vote. Because women must obey the laws just as men do, they should vote equally with men. Because women pay taxes just as men do, thus supporting the government.

Because women suffer from bad government just as men do. Because mothers want to make their children's surroundings better. Because over 7,000,000 women in the United States are wage workers and their health and that of our future citizens are often endangered by evil working conditions that can only be remedied by legislation.

Because women of leisure who attempt to serve the public welfare should be able to support their advice by their votes.

Because busy house mothers and professional women can not give such public service, and can only serve the state by the same means used by the busy men—namely by casting a ballot.

Because women need to be trained to a higher sense of social and civic responsibility, and such sense develops by use.

Because women are consumers, and consumers need fuller representation in politics.

Because women are citizens of a government of the people. By the people, and For the people, and women are people.

They should vote equally with men. Equal suffrage for men and women. Women need it. Men need it. The state needs it. Why? Because women ought to give their help. The state ought to use their help.

At the close refreshments were served and a collection taken for suffrage.

Gun Club Holds Tournament.
 Twenty-five or more trap-shooters, a number of whom were out of town men, held a tournament at the Buffalo Bill Gun club grounds Sunday afternoon. There were five events, the principal one being a \$100 match between Ed Reetz of Hooper, Neb., and Franz Bendel, of Sedgwick, Col., the former winning by breaking ninety-two targets out of a possible 100. Bendel broke eighty-six.

In the amateur contest Bendel redeemed himself by breaking ninety-two, closely followed by Henry Rehausen with a score of ninety.

Asleep on the Track
 A fellow named Sterling, employed on the Pawnee ranch, while in a drunk condition, fell down to rest on the east bound track at Gannett Saturday afternoon and fell asleep. In this condition and position he was discovered by the engine crew on the west bound local, the train stopped and Sterling brought to town and turned over to the police. It is probably very fortunate that he was discovered, as he might possibly not have been seen by the engine crew of a train soon to pass that point.

NIELS HANSEN FOUND DEAD ON HOMESTEAD

BODY DISCOVERED SUNDAY AFTERNOON BY SMALL BOY.

Had Evidently Been Dead for Several Days. Was Alone in House on Jack Morrow Flats.

The dead body of Niels Hansen was discovered Sunday afternoon in his shack on the homestead on the Jack Morrow Flats. The young son of Mr. and Mrs. Searle was hunting in that neighborhood and when he came to the shack he knocked to get in. Failing to get a response he opened the door and walked in and found the body lying on the bunk.

From all appearances the man died a natural death. He appeared to have come in from work and to have lain down on the bunk immediately after removing his hat and coat. The hat and coat were thrown over a box near the bunk and the body was lying with one hand stretched up over the head and had apparently lain there for some time.

The boy notified the neighbors and they telephoned for the sheriff and Deputy Sheriff Wilson went out immediately and brought the body to town where it was placed in the morgue at the Howe & Maloney undertaking parlors.

A search of the shack was made to find evidence if the man had relatives to be notified. A large number of letters were found, some of which were dated as far back as 1876 and none of them bore a recent date. All of them were written in Danish and were translated by Mr. Jensen of the Harcourt & Jensen store. They disclosed that he had a brother in Gove, Kansas and other relatives at that place. One of them showed that he had a brother in Wheaton, Ill., in 1911 who was a train dispatcher. He also has a uncle in Australia who had written asking him to come there.

Mr. Hansen came to this county about eight years ago and settled on a claim. He had continued to live there alone since that time and lived almost in poverty. His house was a small shack about ten by sixteen feet and contained very little furniture. What furniture it contained was mostly home made and consisted of old tobacco and dry goods boxes. A search failed to show any manner of food in the house and the tobacco boxes which were used as a cupboard and safe, contained only the letters and some nails and other insignificant articles. His bunk was but a rude, roughly built concern apparently of his own making.

Mr. Hansen was the plaintiff in a case that was tried in the county court some time ago in which he sought to recover possession of a violin. The case was decided against him and he appealed it to the district court.

The body is being held at the morgue to await word from relatives as to what disposition to make of it.

Charley Keen has rented the rear part of the Schmalzried cigar factory and removed his repair shop thereto.

The family of Mr. Sundheimer, manager of the Leader, arrived from the east last evening and will remain here permanently.

Locals Defeat Aggies.

The North Platte high school eleven defeated the Curtis Agricultural school team Friday afternoon in the first game of the season by the score of 2 to 0. The local boys showed themselves superior for making ground gains, but they were unable to hold the ball. Several of the men made bad fumbles which lost them considerable ground.

The game began by the visitors kicking to the high school. Louden received the kick and made a good run before he was downed between the forty and fifty yard line. The locals made good gains through the line and it looked like a touch down until they lost the ball on a fumble. The visitors then took the ball but were unable to get through with it and were finally downed behind their goal for a safety which was all the scoring of the game. The ball was put in play again and the locals carried it over the line for a touch down, but Kelly who was carrying the ball lost on a fumble.

After the first quarter neither team came near scoring. The locals made some good gains with two forward passes and Cool went for twenty yards on an end run. Kelly made some good gains through the line and Vernon and Bogue also went through for good gains.

The main weakness for the locals is through the center of the line and around right end. Thompson who has been showing up so well was unable to stop plays several times around his end. In the middle of the line three men were tried out at left guard. Hood went in first and was replaced by Miller and Miller was replaced by Jones who showed up best in that position. Stewart played an excellent game at center for the locals.

The visitors had two Indians on their team who played star games, especially on defensive play. The one at left end got through the lines a number of times and made good tackles behind the line. The officials were Baskins, referee, Hanson, umpire and McWilliams head linesman.

Western engineers are becoming more or less impatient at delay in the beginning of arbitration of wage differences with western railroads. Hearing of the case of engineers and firemen of ninety-eight western railroads with the roads was set for October 1 but the postponement was necessitated by the fact that the government has not yet named the two men to sit with the representatives of the men of the railroads. It is expected that the names of the men selected by the government will be announced in a day or two.

Entertains at Linen Shower.

Miss Irene Hubbard entertained Friday evening at her home on east Second street at a linen shower in favor of Miss Pearl Holland, who is to be married next week. Thirty-five girls attended and a pleasant evening was enjoyed. Miss Holland received many beautiful gifts as a token of the esteem in which she is held.

The feature of the evening's entertainment was a mock wedding which was very well timed and pretty. The ceremony was read by "Rev." Hannah Keliher. The others who were in the bride party were "Mr." Dan Roberts, groom, Miss Pearl Holland, bride, "Mr." Edith Howland, best man, Miss Marie Stack, bridesmaid; "Mr." Ruth Hubbard, father to the bride and little Miss Edna Sullivan, who was cutely dressed in a pink frock and carried the ring in a monstrous rose. Miss Mary Tighe played the wedding march. The house was beautifully decorated and a lovely arch of flowers and foliage was built for the wedding ceremony.

Following the evening's entertainment a delightful two course luncheon was served by the hostess. The tables were nicely decorated with garden flowers and foliage and dainty place cards showed each guest her seat. Each guest was presented with a paper heart upon which was written a toast to the bride which was to be read.

James Pleads Guilty and is Sentenced.

Ira James, who was arrested last spring on the charge of stealing chickens, pleaded guilty Friday before Judge Grimes and was sentenced to fifteen days in the county jail. James was confined to the county jail last spring for over fifty days and for this reason he received a light sentence.

War and Waste.

From the National Magazine. David Starr Jordan's book shows for instance that the national debt of France amounted to \$6,000,000,000, with an annual interest burden of \$240,000,000 and that the war debt of Europe today exceeds \$27,000,000,000, with a yearly interest of over \$1,000,000,000 of which he truly says: "The debt will never be paid and can never be paid." The interest is beyond the capacity of the people. The world's annual production of gold is little more than one-third of the interest money due in Europe. The world's entire stock of gold is little more than one-fourth of the war debt of Europe.

"Besides the vast sums demanded as interest are old debts; the annual expenditure of the world on armaments and navies in these times of peace passes (exceeds) \$4,000,000,000 every year. This is extended by taxation, a present load on industry and commerce over and above all demands made by the war debt which no man or any nation intends to pay."

The Lincoln News has printed a story to the effect that Will Maupin, the democratic candidate for railroad commissioner, had been arrested and "had pleaded guilty and paid a fine on a charge growing out of a police raid on a room where it was alleged gambling was in progress when the police entered. Mr. Maupin at once entered a denial, but the News the next day said "an effort to verify the charge that Mr. Maupin had paid a police court fine on a gambling charge was made Wednesday night and resulted in corroborative statements being secured from the police and court officials." This looks bad for Mr. Maupin, and unless he can clear up the matter in a satisfactory manner he might as well tender his resignation to the democratic state committee.

The progressive republican in Nebraska who is earnestly desirous of seeing the general principles in which he believes carried out can more easily attain that result by voting for Howell than by casting his ballot for Sackett. Mr. Howell is a progressive in every sense of the word, and if elected governor will carry out his progressive ideas. Mr. Sackett has not the remotest chance of being elected, and every vote cast for him helps defeat Howell and helps elect Morehead, the democratic candidate. As between Howell and Morehead the progressive should have no trouble in determining which is entitled to his vote.

ARE YOUR KIDNEYS WELL?

Many North Platte people know the importance of healthy kidneys. The kidneys filter the blood. They work night and day. Well kidneys remove impurities. Weak kidneys allow impurities to multiply.

No kidney ill should be neglected. There is possible danger in delay. If you have backache or kidney or urinary troubles.

If you are nervous, dizzy or worn out. Begin treating your kidneys at once. Use a proven kidney remedy. None endorsed like Doan's Kidney Pills.

Recommended by thousands. Proven by North Platte testimony. August Ackerman, 221 S. Walnut street, North Platte, Neb., says: "I still hold a very high opinion of Doan's Kidney Pills. I used them for backache, caused by disordered kidneys and had the best of results. It is over three years since I have had occasion to use Doan's Kidney Pills, but my health has been fine since, not a symptom of kidney trouble having bothered me."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ackerman got. Foster-Milburn Co., Prop., Buffalo, New York.
